ABOUT US

With over twenty years of experience in the abrasive blast industry, Cardinal is THE preferred supplier of the abrasive cleaning industry with a large variety of quality new or used blast equipment, replacement wheel & air blast parts, abrasives, motors, belts & material handling products. Our highly skilled technicians are capable of complete equipment rebuilds in house as well as provide onsite inspections, maintenance & repairs. Providing quality equipment and fast customer service is our top priority.

Cardinal blast equipment is great for cleaning, deburring, peening, profiling and many other surface-conditioning tasks.
